

**NYU** Langone Medical Center

# - Spring 2008 - - Pharmacy Open House -

**NYU Langone Medical Center** is a place where the world comes for outstanding healthcare, and where outstanding professionals come to build world-class careers. As a leading edge facility with world-wide recognition, we offer a collegial environment rich in learning and challenge along with commitment to innovation and the integration of technology. We set a stage that helps showcase outstanding talent such as yours!

We invite all Pharmacists to explore NYU Langone Medical Center as the next phase in your career. We offer the highest compensation package in New York City, comprised of an extremely generous sign on bonus, quarterly shift incentives and a 10% shift differential, combined with participation in a comprehensive healthcare benefits plan. Staff Pharmacists at NYU Langone Medical Center are also eligible for an upcoming pay increase in 2008!

Chances to win  
a digital camera!

**You will enjoy a chance to:**
